Open Public Sector Information
Best Practice
Share-PSI 2.0 Timisoara

Dr Christopher J Harding
Director for Interoperability

Copyright © The Open Group 2015
Scope

- At administration/business level
  - NOT technical standards
- Country-independent
  - Basis for national guides
- No top-down prescribed content
  - What the teams believe will be useful
SHARE-PSI 2.0 Current State and Way Forward

- Large amount of great source material
- Small amount of captured best practice
- All groups in Timisoara will capture best practice material and post on wiki
- Phil will organize
- Project meetings in Krems and Berlin will review and discuss
- Consensus process will produce Best Practice Guide
